PROFESSIONAL SUMMARY

B.Sc. Computer Science graduate with a foundation in programming, web development, databases, and problem-solving. Hands-on experience developing a PHP-based Student Record Management System and practical exposure through internship experience. Seeking an entry-level software or web development role where I can apply my technical skills, learn new technologies, and contribute to real-world projects.

TECHNICAL SKILLS

Programming: C, C++, Java, Python, PHP

Web Technologies: HTML, CSS, PHP

Database: MySQL / MariaDB

Tools: VS Code, XAMPP, GitHub

PROJECTS

Point of Sale Management System | Personal Project | PHP, MySQL

- Designed and developed a web-based system to manage sales and billing operations efficiently.
- Implemented features to manage products, process sales, and calculate transaction totals.
- Organized product, customer, and sales details using a structured database.
- Strengthened practical skills in PHP programming, database handling, and transaction management.

Billing / Invoice Management System | Personal Project | PHP, MySQL

- Developed a PHP-based billing and invoice system for creating and managing customer invoices.
- Worked with database records and invoice generation, including Indian Rupee (₹) currency formatting.
- Applied PHP programming and database concepts to build practical business functionality.

Hospital Management System | Academic Project | PHP, MySQL

- Developed a web-based system to manage hospital-related information in a structured and organized manner.
- Designed functionality for maintaining patient, doctor, appointment, and hospital record details.
- Applied PHP and MySQL concepts to improve record management and reduce manual data handling.

INTERNSHIP EXPERIENCE

Roriri IT Park | Intern

- Gained practical exposure to a professional IT work environment.
- Developed workplace skills include teamwork, discipline, communication, and time management.
- Worked with assigned tasks and adapted to professional workflows and requirements.

EDUCATION

B.Sc. Computer Science | Manonmaniam Sundaranar University College, Govindaperi | 2023-2026

CERTIFICATIONS

- Foundation of Coding with Python — Infosys Springboard
- Java Spring Network — Infosys Springboard
- Oracle App Development — ADROIT

SOFT SKILLS

Quick Learner • Adaptability • Teamwork • Communication • Problem Solving • Time Management
